Dear Mr. Hallman,

As I have lost my "conseiller" and the other "secretaire", who have gone back to France, I am unfortunately too busy to be able to come to your Embassy.

The letter I mentioned last week is signed by Luis VARAS and Rosa del C. AYALA and was taken to Chile by a man called Pedro Reyes Gonzalez, detained in that place and then expelled to Chile (several chileans have already been expelled from that place and reported in Chile that they have been detained in that place).

May be you can check these names. They are not registered in the APDH's list.

Would you mind to send me, as soon as possible, the number of disappeared persons the US Embassy has registered since march 1979. (Mr. Tex Harry has given me informations as regards this number for each month of 1978 and for three first months of 1979).

I thank you very much.

Sincerely Yours

P. Howlett-Martin
